

Sierra Stream Guide Flies – Professional Tyers:

Sierra Stream and Mountain is pleased to employ some great professional guides/fly tiers that produce custom tied flies that we like to call our “Guide Flies”.

These flies are created for anglers, by professional guides, fly tiers and industry innovators. We are proud to bring them directly to you.

If you have any questions about the flies, need recipes or would just like to purchase them, please click on the link provided to Sierra Stream Fly Shop.
